ORDER

1. On March 7, 2025, the Potomac Electric Power Company (“Pepco” or “Respondent”) filed a Motion for a fourteen day enlargement of time to file its Answer.¹ The original deadline for Respondent’s Answer is March 11, 2025. Pepco asserts that it needs the additional time in order to review the Complaint and confer with internal staff.² Pepco also represents that the Motion is unopposed by Complainant Rebecca Levinson.³ Inasmuch as Respondent has shown good cause for the extension and that granting the extension will not prejudice the interests of the opposing party, the Motion is **GRANTED**. Pepco shall file its Answer by March 25, 2025.

2. The Commission Secretary shall serve this Order on the Parties.
